

🍎 Bug Off! 🍌

John Victor Warain and Paulo Miguel A. Pilar

Game Description

Bug Off! is an exciting game where two fruits find themselves under attack by a gigantic fly in their forest home. The fruits must defend their home and themselves by fending off the intimidating fly.

Mechanics of the Game

- Enemy Health: The enemy fly has 20 Hitpoints (HP), and each bullet hit will decrease its health by one.
- Dodging Attacks: The enemy fly will try to attack the players, and they must dodge its attack patterns.
- Player Health: Each player has three hitpoints (HP), and getting hit three times will result in a game over.
- Objective: The players lose if all of them die, so aim to survive and defeat the fly.

Instructions:

1. Use the W, A, S, D keys to move your character and position yourself strategically to avoid the fly's attacks.
2. Press the left mouse button to shoot bullets at the fly and decrease its health.
3. Keep an eye on your own health and try to dodge the fly's attacks to avoid losing hitpoints.
4. Work together with the other player to coordinate your movements and attacks effectively.
5. Aim to defeat the fly by depleting its 20 Hitpoints before all players run out of hitpoints.
6. Enjoy the thrilling adventure and protect your forest home from the menacing fly!

“Have fun playing Bug Off! and may you succeed in defending your forest home from the fly invasion!”
